The Stanley Trophy (Butler Pairs) 2019-20

First Heat

Glenfield Bridge Club

Wednesday 18 September 2019

Please arrive by 7.00 p.m., - play starts at 7.15 p.m.

Whilst it is expected that most pairs will continue to be of two players each defined by the LCBA for Tournament prize purposes as expert players, entries from aspiring pairs wishing to improve their bridge in a challenging environment, especially if with the ambition of possible selection to play for County Teams, are particularly welcomed.

The highest 2 pairs in the overall ranking based on 4 best heat results, not including a currently regular county player, will each be invited to play in at least 2 Midland League matches in the 2020-21 season, subject only to their total Butler over the 4 heats being positive.
