Tail Enders	Liz P, David P, Ed R & Mary R
SNAP	David T, James, Ed C & Pete Tyson

Plus organisers…

Annabel H, Jan W, Marijke R, Sue F

Hi Janet

On behalf of all the children at The Oaks Primary school can I say a massive thank you to everybody who has contributed to such an important cause. When you suggested it would be a sizeable donation I didn't realise how sizeable!

A donation like this makes a huge difference, not only to children's learning, but to their sense that people care and believe in them. The money comes at such an important time; you are surely aware of the funding issues we face in schools at the moment and it is a relief to be able to devote funds to specifically improve children's reading.

The money will be spent on much needed books and reading resources. It would be great if you are able to visit school and join the children and staff in choosing how the donation will be spent. I will share the news with children in assembly where it would be wonderful if someone is able to present the donation. I will also inform the parents of the donation through the newsletter and I will share the newsletter with you when it is sent out.

Thank you again to the Bridge Committee and all at The Priory who have contributed and thank you to you for the way you have championed the school's needs. I am humbled by the kindness and generosity of all involved. I hope you are fully back on your feet soon and look forward to seeing you.

Kindest regards

James Hill
