

ACBL Unit 533 Candidates for Election to the Board of Directors

Sanford "Sandy" Hertz

I have served on the Board of Directors of our Unit for approximately 2 years. I am presently Vice President. I believe that as someone who plays bridge about 5 days a week, that I should pay back the Unit for this enjoyable experience. I have done that and will continue to do so.

I believe that it is important to attract new (and hopefully young) bridge players. I have made every effort to encourage this activity.

I believe we should promote the best interest of competitive bridge.

I also try to have the high standards of ethical conduct and encourage our members to do so.

I play in many of our clubs in the valley and support and promote these organizations.

If re-elected to the Board, I will continue to serve our bridge community as I have in the past 2 years.

I have a Bachelor of Arts Degree from Pennsylvania State University and a Juris Doctor of Law Degree from the University of Michigan. I served as an attorney for the U.S. Securities and Exchange Commission and practiced securities law in Denver, Colorado until my retirement in 1981.

Anne Lund

The game of bridge and the great folks I have met through the decades of playing bridge has immensely affected the quality of my life. I am running for the Unit board to share what I have learned over the years. To listen to the input from the players in our unit, and to become a representative for them. I was a club owner, bridge teacher, owner and creator of Bridge Clues, bridge author, and, of course, a huge fan of the game.

Carol Wilkinson

I was appointed to the Unit 533 Board of Directors in 2017 to complete the term of Don Freeland who had resigned. I have fulfilled that commitment and now seek election to the seat in my own right.

I am fully aware of the time and effort required to serve the unit membership and look forward to continuing in that capacity. I am currently Membership Chairperson for the unit and worked diligently to assure the 2018 Fall Harvest 499er Sectional was held.

(continued on next page)

I have served and continue to serve as the Partnership Chairperson for our numerous unit Sectionals. I have also functioned as the 299er Partnership Chairperson for the Palm Springs Regional for several years. In 2017, I was a volunteer at the San Diego NABC. For my continuing service to the unit and District 22, I received the 2016 Erickson Volunteer of the Year Award.

More than seven hundred players in our unit are below the rank of Life Master and I am one of them. I support offering classes to increase our knowledge, and events that simulate enjoyment of the game. I also support a deeper commitment to subsidizing competitions for more advanced players. The unit can and should contribute their financial support for ACBL-wide Instant Matchpoint Games, Worldwide Bridge and other national and district events played, in clubs, to minimize card fees.

I ask for your support and promise to serve you to the best of my ability.
