

Notice to all Members

Please note that the front entrance (Marlborough Road) to the club will be closed on Tuesday 2nd April & Wednesday 3rd April as the new carpet in the foyer is being installed. Access to the club can be made via the rear entrance (Sandringham Road) during this period. As the foyer is closed the Hall can be accessed directly via the entrance just to the right of the foyer doors. During the day the gents toilet will be out of action but hopefully it will be back in use during the evenings. The toilets in hall or next to the committee room will cover all necessities during the daytime. If the worst case scenario arises and we cannot use the foyer at all access to the bar can be obtained via the door by the men's bowls changing room.

Apologies for any inconvenience this will cause. If anyone has any further questions please do not hesitate to contact your management representative or any of the club officers and I'm sure they will be happy to help.
