

D15 Covid-19 Protection Measures

- If you have any Covid-19 symptoms DO NOT COME TO BRIDGE
- If anyone in your household has Covid-19 – DO NOT COME TO BRIDGE
- The room in which we play bridge in the community centre will be sanitised by the centre staff before the room is used. This involves the spraying of a disinfectant mist in the room beforehand.
- To reduce handling of the Bridgmates, only North should handle the Bridgemate at the table.
- Each member will use **their own bidding box** throughout the day.
- The room will be ventilated as much as possible by leaving side entrances open. Please bear this in mind and dress appropriately.
- Hand sanitisers will be provided. Members are welcome to bring their own for their own use if they wish.
- Mask wearing is optional.
- Table money is €5 and will be collected by chip and pin—so please bring your credit/debit card with you.
- Ronnie Woods is the Covid-19 officer for the club. If you have any queries about Covid-19 precautions you can contact Ronnie at Ronnie.woods19@gmail.com
