approved unanimously.

4. Christine has suggested that Lawn Star Trophy should
continue in pairs and with a handicap system, which
she has tested on our Bridge website. This can be
altered during the year if Members are not happy.
She also suggested, as Sue Stephens has kindly
donated another trophy, that we should have 2
competitions - 1 trophy for the top pair & 1 trophy for
the pair who have made the most progress.
5. Christine confirmed that it is useful if we continue with
the 'Alert' system by the partner when a convention is
used.
6. Christmas Lunch this year - suggested dates Tuesday 2 December or
Friday 5 December. Isabelle & Lynne to check restaurant suggestions
& availability. We will have another Club Lunch in the Spring plus our
usual 2 or 3 Socials during the year. The Club will raise
its contribution to the meals to 10€ per member.
7. We will continue our Lotto & Euromillions participation.
8. Miscellaneous:
 - a. Drinks & nibbles will continue on the first Wednesday
of the month from March to October which will be
organised by Patricia.
 - b. Lavinia suggested to avoid delays on Wednesday,

that if a game has not been commenced on 1 table, when the others are finished, it should be played at the end of the evening.

- c. The AGM concluded with a unanimous vote of thanks to the Committee and Christine McArdle for all her organising and computer input during the year
