Data Protection: The Club undertakes to collect and use your personal data in compliance with the General Data Protection Regulation (GDPR). Our legal basis for processing this data is our legitimate interest as a bridge club. We use the data for the administration of your membership, the communication of information and the organisation of events.

This information will be recorded in our membership database, which is stored online in compliance with the GDPR. Our membership data are shared with the EBU, the governing body of the game of duplicate bridge, and they will pass it on to your "county of allegiance" which is usually the Merseyside and Cheshire Bridge Association.

A limited amount of your information (name, EBU number, county, post town) will be listed in the EBU's database made available for use by scoring program providers and users. This is to allow the correct identification of players for scoring purposes.

Information relating to your National Grading Scheme (NGS) grade and master point rank, together with your county of affiliation, will be generally available from the EBU website unless you have chosen for it to be private. You can do this by logging on to My EBU ->Account -> My Details at www.ebu.co.uk/members.

Your personal data are not passed on by us for use by any other third parties whether or not connected with bridge. Full information about our data use policies, including how you can see what data we hold about you, how you can limit its use and how you can ask for inaccuracies in data to be corrected, may be found on our website www.devabridgeclub.co.uk , -> Club Rules -> Privacy Policy and the EBU's equivalent information is at www.ebu.co.uk/gdpr.
