Members Only Page - Instructions

These pages are intended to replace the contact information in the Club Handbook. **Pianola** is still our main club database and will continue to be used for emails, partner finder etc.

The only information we will be displaying is: name, email, phone, mobile, EBU & Club id. Please check that these are correct. You have the option to opt out displaying any of these if you want them to remain private. We do not want you to add your address, photo etc.

First time login:
All members as of 31st May 2018 have been pre-registered.

Enter your EBU number (preferred as unique) or your email or name (it will have to match our records).
**Two or more members can use the same email address**

Sample screens below.

No password at this stage! Click [Set/Reset Password] and an email will be sent to you with a link to "Set/Reset" your password. Follow the instructions.

If you get a message "You are not registered" then you will need to contact the club to get yourself registered. New members please be patient while we add you to the database, usually after you've received your welcome letter.

We are still testing this at the moment. Any questions/problems etc please talk to *Judy Cope*.
