The overall national winners will receive £50 per pair.

The winning pair of each heat, and each host club, will have a chance to win up to £1000.

For scores and hand commentaries after the event visit

There is a discussion feature for each deal, so you can debate the hands with others once you have played them, and a 'double-dummy' feature so you can see what lines of play you could, or should, have taken.

The event is run on behalf of EBED by the EBU
