

BOTE FUN FUNDRAISER

YOUR CHANCE TO PLAY WITH BRIDGE STARS

You could be one of three lucky individuals to play with four of the 12 star players in Bridge on the Edge (BOTE).

These players were selected based on demonstrated performance at our club, general skill levels, year-round availability, educational and organizational contributions and solid bridge acumen. They are: Tom Dale, Peter Stacey, Joan FitzGerald, Brian Collins, Pramila Paddock, Randy Bennett, Marilyn Bennett, Richard Lash, John Goold, Gordon Bourgeois, Deidre Davis and Roy Perry. BOTE recognizes there are other great player representatives from our club who could be included, and they most certainly will be in years to come.

Just purchase a playing card, write your name on it, and drop it in the box provided. Cards will be on sale at all bridge sessions during the week of June 18. The cost is \$5 for one card, or five for \$20.

The star players have been divided into groups of four each. The draw for three winners will be held on Thursday, June 21. Each winner will get to play a fun game of bridge with each of the four players in one of the groups.

Games will be scheduled at the convenience of each winner and their four top players.

Proceeds go to the Alzheimer Society of NL.
