Please email me with your first and second choices of workshop – Judy-h-l@hotmail.com.

Participants' first choice of workshop will be allocated in order of replies. Second choices of workshop will be allocated on 5th October to give as many people as possible their first choice.

Dietary Requirements

We are planning on having a picnic-style lunch with eight people at each table. We feel this is a way for those who are attending on their own to have opportunities to talk to others. There will be a selection of meat, cheese, fish, bread, salads and pickles on each table. If you have any specific dietary requirements please let us know by 4th October at the latest.

Arrival

There is a free car park at the rear of the building. The entrance to the car park is located next to the bus stop on Chapel Street and there will be a sign at the front of the building.

Slimming World will be using the building before the Masterclass and their members will be leaving as you are arriving. Be careful the entrance is only one car width. Also, there will be people rearranging the room. Don't worry if things look confused!

When you arrive please come to the John Armstrong room which is on the right hand side of the hall and pay for your day. Here you will be told which two classes you will be doing and where they will be. Once you have registered please collect a drink from the refreshment table and take it to your first workshop.
