Let's stay healthy and look after each other

Covid cases are rising steeply both nationally and in Rugby.

Precautions are a nuisance. We are all fed up with them. But they are still needed.

We support anyone who wants to wear visors or masks.

We use ventilation and filtration.

Please use individual sanitisers and keep your bidding box exclusive to you.

YOU have been great at staying away when you are, or might be, unwell.

THANK YOU! Please keep it up.

Helping to set up at Dunchurch

We do have help from some youngsters, but they are involved in exams and have plans for the summer.

We need help particularly with setting up on Mondays. There are usually quite a few tables. If you are able to help with this, could you consider planning to come to Dunchurch at 1pm say once in six weeks?

What's on offer

FACE TO FACE!

Duplicate Sessions

On Monday and Thursday Afternoons we play duplicate pairs at the Dunchurch Sports Field and Village Hall.

Although Covid numbers in Rugby are at last declining, we will continue to combat the transmission of viruses at our sessions. Covid can be unpleasant, it can be dangerous, and the long term effects can be substantial.

Having plenty of space around the tables allows to use bigger tables and to provide side tables. It also keeps the noise down. We continue to provide individual sanitisers.

We ask players to take their bidding boxes with them. This allows users of left handed bidders to do so easily and so makes us more inclusive.

You are welcome to wear masks and we hope that other players at a table will put on masks for the duration of your round if you request it.
