

## **Somerset Contract Bridge Association**

### **Educational Events sponsored by**

We are delighted to announce that we have again renewed our sponsorship deal with First for Bridge.

First for Bridge has over 20 years' experience of organising bridge holidays, breaks, events & cruises in the UK and abroad.

Its professional service and attention to even the smallest details sets it apart from many other operators and creates the high standard its guests are used to.

Its bridge holidays are licensed by the English Bridge Union (EBU).

First for Bridge's sponsorship allows us to provide our two café seminar events free for our members. It will also cover the cost of the prizes awarded to the winners of the Michael Coda Cup, which will benefit our nominated charity.

A discount of £20 per person is available for members of a Somerset bridge club for each new holiday booked before 1 July 2017. Quote SOM2016 when booking.
