FORCING AND NONFORCING BIDS

Improve your bidding and strengthen your partnership by understanding forcing and nonforcing bids. Learn how to determine who is the CAPTAIN – a very important and rather simple concept. This is not an introductory lecture; you need to know the structure of the game.

New to duplicate? No Problem! Don't be a passive player! Let Lynn, an accredited teacher and director show you the ropes and guide you into the exciting world of duplicate bridge.... Any game is more fun when you're in the know.

Lynn will answer your questions about rules, ethics, tactics and how to be a good partner, communicate with and enjoy playing with a partner.

From 2–4 PM, there will be a free duplicate game for those with 0–20 points. It will feature “relaxed rules,” geared to new and social players. Please tell your friends who play social bridge that this is their opportunity to try the world's greatest game in a stress free atmosphere. We will do our best to find you a partner in case you don't have one.
