This event is aimed at any club player who feels it could improve their game, though it may be not suitable for those who have not been playing for very long. You do not need to a partner to participate.

If you would like to play, please e-mail Christopher Whitehouse (cjcwhitehouse@hotmail.com). Space is limited, and if demand outstrips supply priority will be given to those who have not played in previous PW2E sessions. Entries will otherwise be treated on a first come first served basis.

Please aim to be seated by 7.15 as you will need time to discuss systems!
