

Wallingford Bridge Club Scorers Needed

If you would be willing to learn how to score using EBUScore with a view to becoming a scorer for the club, then please let me know. Alternatively, if you are a current scorer using Scorebridge (which we intend to stop using by the end of this year) and would like to learn EBUScore, then please get in touch.

Richard Banbury from the EBU will be running some training courses for our members on EBUScore at the club. If you would like to attend, then please let me know which one of the following dates would be suitable:

Wednesday 1 May from 10.30 am to 1 pm

Wednesday 8 May from 1.30 pm to 4 pm

Wednesday 22 May from 1.30 pm to 4 pm

Please reply to me at jwatney@hotmail.co.uk with your preferred date.

Please also let me know whether you have a laptop that you could bring to use for the training. Unfortunately EBUScore doesn't work on IPADs, MACs etc. Those delegates who don't have their own laptop will be able to buddy up with someone who does.
