

# CONVENTIONS – JACOBY NT

**Wednesday 3/20 7-9 pm GF RESPONDER BID**

How do you tell your partner you have a great support hand with **four** or more of the major suit they bid and an opening hand? This bid says a lot about what you have as a responder and what you DON'T HAVE (singleton or void and a certain number of points). Many of you say you play it, but just play the first two bids then scratch your head for rebids and how to best continue the auction. Come learn the convention Jacoby 2NT and you'll wonder how you managed so long without knowing it!

The class keeps my lecture to a minimum of 20-25 tops. Then you are bidding with a partner and being declarer EVERY hand, versus one out of the four hands like in live bridge. Robots are dummies and you learn from your mistakes by having the ability to replay the hands. It is meant to supplement playing live – to give you MORE PRACTICE!
