

NEW! Beginning Bridge Classes

The management at Beverly Hills Bridge Club is excited to announce bridge classes for absolute beginners. These classes are open to all beginning players and are ideal as follow-up classes for those who have attended a "Learn Bridge in a Day?" workshop.

Initially, there will be two series of classes: BEGINNER 1 and BEGINNER 2. Each will last 10 weeks. These are playing classes, so at each lesson you will practice what you learn. As players advance, more series of classes will be added. **A student book that accompanies the lessons will be available for \$20.**

All classes will be held at Beverly Hills Bridge Club, 325 So. La Cienega Blvd., ½ block north of Olympic. Convenient free parking is available in adjacent garage. For more information, contact John at (212) 920-1224 (couchbaron@gmail.com), or Nancy at (323) 236-2924 (nheck@omm.com).
