

Hello All

I hope you all having a good time, and still practising your Bridge

Please see suggested timetable for lessons below, this may change subject to responses received.

The class on Monday AM Intermediates (will be based on the Green Book)

- This may suit those who have done the green book once or twice before and who have not yet started playing in club bridge regularly and want to consolidate their knowledge
- Or if you have done the improvers course several times and want to move on.

Tuesday AM Advanced this will be mainly based on the Green book going into familiar topics in more depth, and will also include new topics not previously covered.

- This would suit anyone who has done the green book before once or twice
- Or for those who have been playing club bridge for some time, and know the basics really well and want to learn more.

Tuesday Afternoon Next steppers course

- Will suit those who have done the red book improvers course several time and are **really** familiar with the basics of the ACOL system and want to learn more.
- Also suit novice club players of most levels.

Monday Afternoon Improvers will be based on the red book recapping the foundations of the ACOL system in more detail than the Beginners course setting you up to move forward.

- Would suit those who want to build their confidence with the basics.
- Also players who don't play regularly but want to keep their hand in

Wednesday Morning Beginners class

- This is aimed at those who are just starting their journey with bridge, or you may have done the beginners course before and wish to build your confidence before moving on.
- Or those who have not played for a few years! and want to start again from scratch.

We will also be running duplicate sessions and novice (gentle) duplicate session as well as the supervised play afternoons. *Courses may change depending on number.
