

Farnham & Bourne Bridge clubs

March 2024

Dear Farnham and Bourne Bridge Clubs,

Thank you so much for raising a wonderful £1112.50 for Phyllis Tuckwell from your recent Bridge event. We're so grateful you chose to support us again and have been blown away by the amount of money you have raised. Your ongoing support means so much to us!

Our aim is to make every day precious for our patients and their families who are living with an advanced or terminal illness such as cancer, and thanks to your generosity we can make this happen.

"I knew I could call them at any time if I needed to speak to them about his condition or medication. From the moment we were referred, I felt so well supported by them. I couldn't have done it without them."

You make it possible for us to continue supporting over 250 patients, relatives and carers every day in their own homes, in the community, at the Hospice and at the Beacon Centre in Guildford.

The Government/NHS only provides around 20% of our income, meaning we need to raise over £25,000 every single day to offer our services free of charge, and without supporters like you we would not be here.

On a final note, you may have heard about our plans to build a new hospice on our existing site in Farnham. This exciting project will enable us to care for many more people, for years to come. If you would like to find out more, please visit www.pth.org.uk/new-hospice.

Warmest Wishes,
