

# Masterpoints

- ❖ From 6<sup>th</sup> March 2012, it is the intention that masterpoints won at Cardiff Bridge Club will be automatically uploaded to each player's WBU account.
- ❖ This means that paper masterpoint certificates will no longer be issued for ordinary duplicate sessions.
- ❖ Some events e.g. simultaneous events run by Ecats are still issuing paper certificates and members may collect them from the office in the usual way.
- ❖ Existing paper certificates can still be registered by sending them to the WBU Masterpoint Secretary.
- ❖ There will be a delay of 7-10 days, to allow for mistakes in scoring to be rectified, before uploading masterpoints.
- ❖ Each WBU member can view his or her masterpoint record by visiting  
<http://welshbridgeunion.info/>.
- ❖ If you do not have access to a computer, please contact Steve Webb on 02920 217421 who can advise you of your masterpoint holding and ranking level.

If you have any queries regarding the new system, please contact Steve or Brian
