FUN HANDICAPPED SUMMER COMPETITION FOR ALL

*This is essentially a competition for pairs but
played as a handicapped teams of 4.*

- Each player is awarded a Points Handicap for the duration of the competition based on their NGS rating, the less experienced players benefit from receiving a higher number of handicapped points.
- At the beginning of each session all pairs are randomly drawn with another pair.
- Teams awarded 0 to 10 *Griffin Points* depending on their position at the end of the session.
- Missing a session doesn't matter. You simply receive a score of zero Griffin Points for that session.
- Substitute players are readily allowed but they constitute a new pair.
- Each pair's 5 best scores over the competition series count towards their final score.
- At the end of the series the pair with the most Griffin Points are the winners.
- Non-handicapped scores are NGS-ed and eligible for EBU Masterpoints.
- **Charge:** Per session: £3.50 for club members; £5 for visitors; £1 for juniors & full-time students. The charge will be deducted from your BridgeWebs account as you play.

A gentle and fun introduction to IMP scoring and teams bridge.
