

Tricks & Treats

For Members of the Columbia Bridge Club

The CBC Board action to upgrade our playing conditions are just about complete. Window treatments, roof repair and critter capture are on the agenda. Next time you see **Alice Moore**, **Ken Fasching**, **Terry Moore** or **Bob and Pat Webb**, tell them how much you like the new look.

The two session **Unit Finals** of the **NAOP** will be held Sunday, October 21 here at the club. A,B and C flights will all play in separate events but at the same time. Starting time is 10:30 AM. Time of the second session on Sunday will be announced. **George Nichols** will be contacting those who qualified for the Flight "C" NAP. The goal is to get everyone who qualified to play here in Columbia for a chance at the finals.

We now enter a time of year when the temperature is a problem. Directors know that if some are too hot, others think the air conditioning if lowered will make it too cold. The directors will try to keep the discomfort at the extremes to a minimum, but it is the best we can do.

October is Club appreciation Month!! Special appreciation games with no extra sanction fees will be held 1 PM Saturday the 6th (the birthday party!) 7 PM Tues. the 16th and Mon. the 22nd.

Any one with an October birthday, get your free play on Saturday the 6th. Play the special Cclub Apprediation game. If you would like to help, call Ellen Oliver 254-4081.

Jimmy Blackwell and partner **Joe Waldon** had a few good days in Wayneville, NC recently. They tied for winning the most points (20.33) in the Sectional up there

The next CBC Board meeting will be 10 A.M to noon Oct. 13 at the club. All are invited There will be a break for lunch and the regular Saturday game at 1:00.

*Who wants to hear about slow play??? Trouble is, the question should be "Is anyone listening to admonishments on slow play.?" Nest to room temperature, it is the complaint directors hear most often. **Slow Play** is in the **Ethics and Proprieties** as one of the behaviors that may require score adjustments. **Bridge is a timed event.** If you take more than your share, you are depriving your opponent of his fair share of time. Drives directors crazy as they are charged with maintaining equity and seeing that everyone has a good time. No one following a slow pair is having a good time. It is impossible to post mortem every hand as soon as it is played. If it can't be done in between rounds, it can't be done. Don't make everyone miserable by trying the impossible. Play fair. Play within your time limits.*

Congratulations to these winners
