June starts the NAOP club qualifying round. We are limited to two Qualifying games per month for each session. Categories are 0-500 (NLM), 0-2000 and Open. Those of us who have changed classifications since last year may need to find new partners for this year.

Our annual Club Party will be Thursday, June 13. Everyone bring a veggie side, a dessert or an appetizer. Doors open and happy hour starts at 6:00. Dinner will be about 7:00. Bridge whenever we get cleared away. There will be no entry fee collected, please be nice to the director. There will be no afternoon game on the 13th as we will be getting ready for the party.

Club Membership dues are due now for 2002/3. Your annual CBC Membership dues may be placed in the large manila envelope on the front bulletin board at the club house, or given directly to the club Treasurer. Your membership dues entitle you to the monthly Tricks and Treats Newsletter, and your name and phone number are included on the Club Phone Directory. Your dues are an important part of the Clubs funds, and they help to defray costs for the Newsletter, Club Parties, and maintenance and utilities. It is important to note whether you have a change of address. We don't want to miss you on the Directory, or on the Newsletter mailing list. (Non-members pay an additional \$1.00 more per game to play.)

It's about time for the Columbia Regional!!! Coming up the first week in July. Get with your favorite partner now and line up your events. Bracketed teams are always a favorite, but if you get KO'd in round 1, stick around and play the continuous pairs. You can pick up a session award as well as a possible overall. Continuous Pairs is a good event for Flight C players. A mix of competition and a real opportunity to score some Gold.

Your chairman, Margaret Hill could probably use a hand. If she hasn't asked you for help, just ask her if you can lend a hand somewhere. That reminds me-got to get busy on the job I promised I'd do for her. Scout out the eating places near the playing site-right man for the right job, huh?

Zero Tolerance is official ACBL policy. It will certainly be in effect at the Regional. We will be practicing it at the club in a little more vigorous fashion than formerly. The Board wants a good playing experience not only for your opponents, but for your partner and the rest of the people in the event. Sanctions include but are not limited to: suspension from the event, suspension from games officiated by the director in charge for some time and suspension of membership in the club for some time. We have gotten rather lax in enforcement as it was pointed out to the directors by members of the Board. I've directed games that all of you have played in, so I will be very unhappy if you put me in the position where I have to deliver some disciplinary action under this policy.

Congratulations to these winners
