October is Club Member Appreciation month. One special "Appreciation" game will be held for each session we play each week. No extra charge, just come and enjoy. Circle them on your calendar. **Speaking of appreciation**, how about the people who do so much for our club? **John Mac Gregor** keeps our playing site and the building around it livable. Remember how the A/C used to go out? You were never going to complain about it being too cold again if we could only fix it? Of course you don't. But thanks, John. **Bob Webb** with tax and financial records work and **Hap Neuffer** with supplies have been part of every treasurer's finance committee since I came here 5 years ago. **Margaret Hill** on Regionals with **Elizabeth Beckwith** on results. **Bill Rorie** at tournaments and club parties. **Henry Momand**, not just our president, but the chair of the last Sectional. Other Sectional help, our Treasurer, **Pat Webb** who also chaired our preceding tournament, **Winkie Hancock** a fixture at partnerships. The set-up and clean-up crew. Each month, some one hosts a Saturday afternoon birthday party. Thanks *very* much. Err..much. Our club throws two parties a year thanks to yeoman service from **DaMaris Rorie** and **Alice Moore** this year. Your Board of directors tries to arrange events that you will find fun and challenging to play in. They also, usually in pairs, will "sponsor" the event, make sure you know it's coming, ask if you need a partner. **Dodi DeFiori**, **Joyce Lauterbach**, **Ellen Oliver** and **Ken Fasching** are the latest in a long line of Board members to do this. I know I must have missed people, but thanks to them in their anonymity. Your contributions may have gone unmentioned by me, but they are welcome.

The ACBL is a charitable as well as a bridge organization. That's why you have Board members working so hard to make you aware of the ACBL-wide, District and Unit charity events. We believe in this charitable function of our club. That's one reason why Board member **Mike Bitonti** is out front promoting especially our *club charity games* this year with his bike ride. Let me borrow a few paraphrased words from my old pastor back in Miami: "It is not necessary for this church or any other charitable organization to receive your donations. Really. It *is necessary* that you make donations. The ability to give of your time, talent and treasure is what enables you to call yourself a member, of the community, of the family of Man. It doesn't matter if you drive a Jag or a Rolls or sit by a pool, so long as you are willing to help those in need, at need. You just have to prove that you own things, that things *don't* own you." The ACBL charity this year is **Hospice** and our local charity is **The MS Foundation**. So, we hope you'll play. Charity games are a lot more fun *and* cheaper than the capital funds drive at my current parish. Mike has to turn in donations after mid month-still time to give him a tax-deductible check and play charity events. He really didn't mind that I had a little fun with it on last month's T & T calendar. Right Mike? Ouch! Mike? Ow! Ouch! Come on Mike! It was just a joke! Ow! Ow! Ow!

Congratulations to Ken Fasching and Kevin Bathurst who both managed to drag me across with 70.24% games on Tuesday the 2nd and 70.87% Thursday the 4th evening games. Enjoyed it a lot guys!!

If they arrest a mime, do the police have to tell him he has the right to remain silent?
Two antennas meet on a roof, fall in love and get married. The wedding wasn't much, but the reception was excellent.

There will be no game Saturday Oct 4th-see you in Aiken!! **There will be no game on Saturday Oct. 18**-See you at Tri-cities for the 2nd round of the North American Pairs. Two sessions. Game time 11:00.

Well, I asked for it. Challenged players to try taking that **Gold Point** at the **Instant Match Point Game** away from Grace and me. **Ken Fasching/Everett Ness** did with the best score in either field. We had fun, played well. Several of 19 non-LM's in the 12 table field besides Everett and Grace also did well. N/S had 4 A pairs(1500+), 4 B pairs and 4 C (NLM) pairs. E/W was 3 A, 5 B and 4 NLM pairs.

The Columbia heat of the District-wide Charity game was won by a partnership put together at the last minute-or maybe just a little later-Mary T played the first couple boards with **Joyce Lauterbach** as her partner **Carolyn Floyd** rushed to the club for the 7:00 game. Several of the NLM's made the over-all.
