

Tricks & Treats

For Members of the Columbia Bridge Club

The Birthday Party for October was a Club Charity Game hosted by our Florence members, **Rick and Mary Giles**. Those who watched football instead didn't have near as much fun as the 12 tables of bridge.

You can't miss November's birthday party-pre duplicated hands and analysis books-club championship-no extra charge. Not only happy birthday, but an early anniversary for Pat and Joyce Lauterbach-25 years.

We would like to thank, for the new picture on the wall by the kitchen, **Ed and Sheelagh Young**. It's a print of a huge tournament game. Just the perfect gift to the club.

Spotlight event for November is the ACBL wide game on Monday, November 22. The game will be **Open** rather than the usual limited game. Entry will be \$13/pair.

Thanks to Everett Ness for his help in the form binding. Time and effort for the club is appreciated.

Starting November 3rd at the 0-500 game: our own former National Champion **Hap Neuffer** will be running the event. Hap aims to have a short 15-20 minute lesson with the players first, a game and a discussion of a couple boards afterwards. These could be boards he made up, or boards from the open games of the previous week if they were of wide enough interest. A new and interesting format.

We are going to try an **Individual** game during the Month of November. The tentative date **Thursday November 11th at 7 PM**. You can't very well make out a card for every partner you play with., so I'm ordering Standard American Yellow Cards for everyone to play with. Come and have a good time playing with the whole field across the table.

Our Christmas Party committee consisting of Sybil Pratt, Elaine Wade and Brent Holcomb are well underway with preparations. The date is **December 9th at 6 PM** with a Social hour, followed by dinner at 7PM and bridge at 8PM. We will be looking for donations of ornaments again. **Harold Moore**, as he did last year, will donate a tree to the club from his tree farm. A real beauty wasn't it? We'll have sign up sheets posted to bring appetizers, Vegies or sweets. Sign up for one or another so we can tell how we're doing on balance. Club will provide the entree.

Upcoming events that you should start lining up partners and teams for: The **MABC Silver point Stac** from December 13th through 19th. All of these sessions will be Open. None of these interfere with our Christmas Party-so we're playing them all. Also coming in January will be a two session qualifying round for the **Grand National Teams**. Details next month. We encourage everyone to play since it is such a good funds raiser for the club. Everyone likes the bring your own sandwich and keep it short format so that's what we go with again this year. Still just \$44 a team.

We'd encourage everyone that parks on the street not to park in front of house next door to the Club, but rather park in front of the old ETV building or across the street from it. Just a courtesy to our neighbors.

Why is abbreviated such a long word?

Congratulations to our club Members who did well in the second stage of the North American Pairs. Overall winners of the two-session event were a C-flight pair **Bob Woodham**, who plays a lot of Saturdays here and his partner Mike Charles. Second, an 'A' pair, Hugh Brown/Greg Potter. Third overall was a B pair, **Joyce Lauterbach** and **Kenneth Fasching**. Fourth another B pair **Dr. Fred Chisholm** and Gideon. Fifth another B pair, **Rick and Mary Giles**. Sixth overall went to a couple of Unlimited flight 'A's, **Hap Neuffer** and **Wayne Hollingsworth**. Good luck in December at Augusta to all of you.

Congratulations to these winners

There were eight tables for the Over/Under Game on October 19th. **Bob and Joyce Hampton** nearly scored the Daily Double playing with **Pat and Bob Webb**. But **Marj Edens** and **Henrietta Cashwell** cashed the big East/West ticket.
