

Tricks & Treats

For Members of the Columbia Bridge Club

"Thanks to all who contributed so much to the success of the June 16 party: Jan and Mary Ellen Mandeville with decorations, DaMaris and Nancy Dunlop whose flowers Lou Riddle arranged so beautifully, Sallie Blackwell, Elaine Wade, Alice Moore planning, Butch Maybin in the kitchen and Bill Rorie behind the bar, Bea Hordych coffee, Brent Holcomb's invocation and my husband Ed for set up and clean up. And thank all of you for your contributions and having a good time." Sheelagh Young

The Birthday Party for July was the World-Wide Simultaneous Pairs (ECATS). Our genial hosts, Lil Hopkins, Brian Lipscomb and Marj Edens took home a fair share of points and wonderful refreshments they brought us. One gold point to Mary and Rick Giles and also one gold to Hap and Lukasz.

OK-down to the last chance to enter names in the box at the front table. Names for what you ask? Well, names of people who might like to play bridge here at the club who don't know about us yet. We're having an open house and we'd like to invite them to come look us over. So-you know some one who might be interested in playing or in lessons-let us know about them. Put a card with their name and phone number on it in the shoe box next time you're at the club. We need a theme-Can you come up with one intriguing to new players? Enter on the line below and drop in the shoe box at the front of the club. Prize for the best.

We would like to take this opportunity to wish long time member **Marika Hallosy** well on her return to Budapest after (almost) 60 years here. Hope you take as many good memories with you as you leave behind with us. Best of luck in your new location.

The club would like to thank it's most frequent patrons. Some of these played Open as well as Invitational.

Players with over 1000 points played in (otherwise) limited games when we opened them up for ACBL, District and Unit-wide events such as STaCs and Charity games. Looking at the names in the Invitational section, you will realize that playing Open events is a good way to polish your own game.

There will be no game at the club Monday night July Fourth.

Congratulations to NABC Master Bob Hampton

Congratulations to our newest Bronze Life Master——Marianne Murphy!

Thanks to our thoughtful club member Iona Hunter for the idea of posting the list of those temporarily unable to join us. Be sure to let these members know you are thinking of them.

Encouraged by the Response to the Open Monday Night game. Those playing in the 0-1000 'C' Section have actually seen their point take increase since the opening of the game. The C awards were always going to be as high as if there were no 'A' or 'B' players playing for their own stratas. Usually the C winner also beat a few 'A' and 'B' pairs to increase their take. More C's must be a good influence. Playing 9-12 tables is a lot more fun than 4-5 or 6.

Due to the finances of the club, posted with (June) minutes of the Board meeting, there will be no more free plays other than those you get with your club membership-Christmas and Anniversary parties and the Saturday Birthday party of your birth month. Without tournament profit and rent, we'd have lost \$1300. "Most bridge players prefer consistency in their partners rather than brilliance." Matt Granovetter "Regardless of what sadistic impulses we may harbor, winning bridge means helping partner avoid mistakes." Frank Stewart
