

## Tricks & Treats

### For Members of the Columbia Bridge Club

(also available at [www.cbcbbridge.com](http://www.cbcbbridge.com) in an longer, expanded version)

**Our Columbia Sectional**-up some on attendance from last year. Didn't Alice and her crew do a great job? (Under some adverse conditions, too) The results are available online at the [cbcbbridge.com](http://cbcbbridge.com) site, the MABC and the ACBL on-line sites. We were especially pleased with the response to the I/N promotions. Great to see these new competitors come along. **Our Sectional Tournament** next August will be Chaired by Fred and Carol Clemenz. Thank you so much. When they ask for your assistance-please be right there.

We need to add a phone number to our list **Emily (O'Boyle) Lamphere** is now at 776-1573.  
**New number for Sandy Geis** 233-7192

**September 14-a Thursday night**, is a game not to be missed. It is an ACBL-wide Instant Match-Point event. Hands are 0-100, analysis books will be provided and the winner each direction will receive as part of their award, one Gold Point. Closer to the event, I will be canvassing for partners and partnerships. Discussing these hands with your partner will greatly benefit your game-plus of course you have an expert's opinion right there.

**Our birthday party** in August featured duplicated boards and printouts courtesy of the Scheiblichs. Cake and other munchables by **Rick and Mary Giles**. Thanks to all the others who brought their favorite snack. Another stellar performance by **Ellie Hack** with **Fran Jenkins**. But Look who gave them a run for the money in the E/W Field-ahead of several tough "A" pairs.

**From "52 Facts of Bridge Life" by Eddie Kantar.** 3) With two five card suits: Open the higher ranking suit, respond in the higher ranking suit and overcall in the higher ranking suit. Do not worry about which is the stronger suit,

You hold: S-x H-J-10-xxx D-AKQxx C-Kx

Open 1H, not 1D, respond 1H to an opening 1C bid (and) overcall 1H if the bid to your right is 1C.

4) When the bid to your right is strong, a jump by you is weak; when the bid to your right is weak, a jump by you is strong.

If partner opens 1C and RHO doubles, a jump to 2S by you is weak. If RHO opens 2H (weak), a jump to 3S by you is strong. (You don't pre-empt a pre-empt.)

**We were thinking of tweaking the game time** for the Friday 0-50 and 0-750 game to Noon from 12:30. Well-that went by the boards. It would have taken overwhelming sentiment for change and it just wasn't there-so we stick with the 12:30 starting time on Friday afternoon.

**No games held on Sept 29-30. See you at the Aiken Tournament-flyer on the front board.**

**There will be a Unit Game both sessions Sept 7<sup>th</sup>. This is for our charity-so see you there.**

**The 'Lost and Found' goes to the Oliver Mission at the end of the month. Missing anything?**

**In the expanded on-line version of Tricks and Treats this month- expanded listings in the Cup Races. "How to score better without playing better" Maybe it should be scoring better as you learn to play better. Check out the printable calendar and convention card Ed put on there. I saw one printed off in green (least used color in their cartridge) Really sharp!! Cbcbridge.com.**

**For our newer members (and a reminder to our long time members) This is a mutual club-owned by the membership. Think of the club and the table you're at as part of your home-the other players as guests in your home. Courtesy, good sportsmanship-dare we hope for neatness? Yes, it's your club, your space. Treat it and the other members well, be proud of it.**
