

TRICKS AND TREATS

For Members of the Columbia Duplicate Bridge Club
(on line at www.cbcbridge.com)

Mary Townhill leads her Flight 'B' squad to victory in the second GNT qualifier at the CBC. It was a real tester-8 matches-round robin in a 9 team field.

Wins/VP's points won		Team members
1) 6 / 97	4.75	Mary Townhill/Sandy Gies/Emily Lamphere/Lil Hopkins
2) 5 / 95	3.56	Harold Moore/Marj Edens/Alice Moore/John Mac Gregor
3) 4 / 93	2.69	Brent Holcolm/Jim Chianelli/Rick and Mary Giles
4) 5 / 90	2.01	Mike Charles/Bob Woodham/Jack and Joan Moye

The next round will be held at the CBC on **April 21 at 10:30**. It will be 'B' and 'C' flight **ONLY**. Looking at the results of both qualifying sessions, the 'A' players don't want to play you guys any more.

The birthday party with hostess **Rosa Shaw** looked like an event no one was prepared to win. With one round to go, there were 10 pairs within 6+ match points of the lead. The two eventual section winners were running fourth going into the last round with **George Nichols/Mary Townhill** nipping **Ellie Hack/Fran Jenkins** and **Joyce Lauterbach/Harriet Blasseti** for 1st overall.

Facts of Bridge Life (Eddie Kantor) #17 When the opponents bid and support each other and you have the Jack or Queen of their suit, do not count points for those honors. They are not worth the cardboard they are printed on. These secondary honors ("qwacks") may take tricks on defense, but seldom when you are declarer.

#18 When all your honors are in your two **long** suits add 1 extra "purity" point.

You hold S- AKJxx H- KQxx D- xx C- xx

All your high-card points are in your two long suits so add 1 extra point to your hand. Think of having 14 points. If your partner supports Spades or Hearts, your hand goes up. If he doesn't, your hand stays at 14. Hands that have 8-card or longer fits add distributional points. Until that fit is uncovered, distributional points should not be added. It doesn't make sense. Hands that are misfit should not add extra points, they should be subtracted!!

It's that time again. Dues are due. Singles are \$15 and couples are \$28. Send it in now while you think about it. Or give it to the director at the club (but write the check now) and attach the coupon.

Anyone have a big bunch of keys that aren't theirs? Has a Heart charm and Alice needs them back.

Notes on Batesburg Tournament are in the extended ON-LINE version of this letter.

OK, I can take an hour before the game and shuffle all the boards, put them out on the table and say "Play them as they are." This instead of letting players make them at the table. But I refuse to write down the hands and put out printouts later. **This is the only difference between me and the computer dealt hands.** I can't write nearly fast enough. Nor do I have the little bridge suit glyphs on my computer. I always give the pack 6 riffles (which is what the computer does) to get a random deal. Neither the ACBL nor I have any interest in fixing hands just to frustrate the players. It serves no purpose, we're up for entertainment. The handouts are for the purposes of giving you and your partner an accurate record of what you're talking about. Improve your game. Everyone plays the same cards.

The bottled water and soda are cheap-but not free. Give the director 25 cents please.

The management.
