Well, The NAP Club games are over for another year at the end of August. We will, however, be holding a Club Championship and a Charity game for every Sanctioned session we run. There will also be a Sectional Tournament at Clubs event the week of Sept. 9-16. All STaC sessions will have an Open game and most will have a limited side game.

Starting with the first Wednesday in September, we will run a 0-200 section alongside the Open game on Wednesday afternoon at 12:30. This gives us Limited games at the following times: Monday Evening 0-200 at 7:30, Tuesday 0-1500 at 12:30 and 0-20(ish) at 7:00. Wednesday 0-200 at 12:30 and Supervised play at 6:30-9:00. Thursday 8 is enough teams on the first two Thursdays of the month and an Individual on the third Thursday at 7:00. Fridays are 0-1000 at 12:30.

**The Question:** What is a 'Field fix?' That is when the opposing pair does something either really brilliant or really off-beat that results in a very poor result for you while the rest of their field is in a more mundane spot or makes a more mundane play. Ex. They are in 6 Clubs making while the field is in 3 NT making 5. Or they stop in 3 Spades making while the rest of their field is in 4 down one.

**Closely related: 'Lack of field protection'** This is when you do something routinely brilliant that you'd expect any other world class player to do, but it ends up a poor score in a disaster that no one else in your field finds because they aren't as brilliant as you are.

**The points Cup races** run with the club year, from June 1 through May 31 the following year. Here is an update as of August 22 on the current standings:
