

It is summer in Columbia. Stay cool at CBC!

Monday July 12 is a special game.
12:30.

Thank You to the players who participated in the Longest Day at the CBC

The Overall Winners for the Open Game were Dick Swanson and Abdul Ghaffar, posting a 63+% score; Hap Neuffer and Alice Moore were the North-South winners.

A FEW WORDS FROM THE PRESIDENT:

Happy Summer, Y'all! The warm weather took it's time getting here this year...for that, I'm thankful! I'm also thankful to report that our games (which, understandably, are smaller during the summer months) are still robust. Thanks for coming to the Club and playing in our games! Susan and Laura's Mini Lesson and 0 – 500 game on Mondays is growing! Great opportunity for us "C" players to work on our skills, competing with our peers. If you haven't played in this game on Mondays...give it a try...no partner needed! Our open games on Wednesdays and Fridays are well attended; remember...the second Friday of the month is the birthday game...always fun to celebrate our members whose birthdays fall in that month...and we get cake! The Sunday individual game is just plan fun...two boards a round...you get to play with a new partner each round! Don't forget the potluck supper and the team game on the 3rd Thursday each month! I'm really excited to share a couple of things that we are gearing up for:

The Board has approved the purchase of equipment to augment our audio-visual equipment in the classroom. This will allow Laura and her Education Committee members to offer lessons (or series of lessons) that have been prepared by experts from all over. You will be receiving specifics in the future.

We are in the planning stages of reviving the Mentor/Mentee program that has been used at

CBC...just not recently. The way it works is: a higher level player and a lower level player form a partnership...and for a period of time (several weeks) the play once a month in a game designated just for Mentor/Mentees. Postmortem is encouraged. Chris and Lee Webb have volunteered to organize this; we should be hearing from them soon. Mentors, reach out to someone you would like to help. Mentees, reach out to one of your favorite higher level player and ask them to partner with you. Don't wait! Lastly, you may be able to help. The Board is looking for a new service provider for yard maintenance.

Donna Hunter is heading up the search committee. We are looking for a licensed, insured individual or small company. PLEASE, if you know of someone you would recommend, pass that info on to Donna or any other Board member...we will be happy to follow up.

If you spend the summer elsewhere, please know that we miss you, but hope you are enjoying the change of scenery! If you are traveling for vacation...have fun, be safe! Drink plenty of water and use sunscreen...I'm looking forward to seeing many of you soon and often at the Club! Judy (Rockwell)...because there are so many others!

We are saddened for the loss of a long time member and contributor to our club, **Edward Scheiblich**. Ed will be missed and we certainly hope Linda will come and play with one of the many members who would like to partner with her.

**GREENVILLE REGIONAL:
