A FEW WORDS FROM THE PRESIDENT:

Hello, All! Here we are...mid-summer in Columbia...HOT, HOT, HOT!!! However, I think there is plenty to talk about that's COOL!!!

First, **Mentor/Mentee**: Wow! What a great response to this offering; AND, it's not too late! The 3rd Sunday each month at 1:00 pm has been scheduled for this game... postmortem is recommended. Need a partner (mentor or mentee)? Contact Laura Bro or Lee Webb. The turnout was terrific; in my humble opinion, this is one of the best things that has happened at CBC in a long time; I'm so pleased with y'all's participation. Special thanks to Laura Bro and Lee and Chris Webb for spearheading this effort! Our Education Committee has very exciting plans coming up soon. Please be on the lookout for what they are offering. Regardless of whether you take advantage of any of these offerings, PLEASE share this info with people you know who might benefit. I want to reiterate – if you know someone who might be a candidate, reach out to them. As a Club, we need to be proactive about building our membership. Thanks in advance.

Join us the 11th for our monthly birthday party.

Congratulations to:

Sylvia White: RUBY

Lastly, sorta on a personal note... My friend Kathy Belknap and I just returned from a trip to the tournament in Flat Rock. I've had never been to that tournament (had heard it was great). Visiting the mountains in summer is always a treat; we try to add some non-bridge excursions when we travel...shopped till we dropped this trip! We enjoyed the tournament; CBC was very well represented. FYI, the turnout FAR EXCEEDED what had been planned for. That's exciting, positive news...I hope it bodes well for the future! That's all the "COOL" news I have for you now. Stay cool and I hope I see many of you soon and often at CBC!

Glenn helped Laura Bro install our new conference room microphone/speaker and camera in the education room. This is exciting news as now Laura can schedule video lessons by Kevin Wilson and others. Laura will bring us more information as the education committee formulates a plan for a variety of lessons. Stay tuned!

Patty Tucker will be here the 9th of September for Bridge in a Day...
