## ADD TO THE JUNE CALENDAR

This year's Epon Game will again offer two sessions: Friday, June 10 at 7:30 and Saturday, June 11 at 2:00(?). These are two independent sessions, masterpoints are sectionally rated and you'll receive hand records afterward. Also, don't miss the Anniversary Party on June 9. Check the bulletin board to get the specifics of the party. And finally, on June 30 at 7:30 there will be another NAOP qualifying game - all are stratified.
