TOURNAMENT REPORT

CBC members, our recent Sectional Tournament was a huge success in so many ways! Our attendance was almost as good as last year's, while other tournaments in the Mid-Atlantic have suffered greatly from decreased table count. Our Saturday "dinner-on-us" was a resounding hit; we hope to do it again next year and possibly start the evening session at 7:00 instead of 7:30. AND we made some money, about \$500.00. Many thanks to **Margaret Hill**, my Tourney Co-Chair, and to my other Chairmen: **Winkie Hancock**, Partnership; **Alice Morris**, Caddies; **Pat Webb**, Saturday Night Hospitality. Pat wants me to mention her Co-Chairs **Carolyn Cromer**, **Lil Hopkins**, **Genet Horning**, **Alice Moore** and **Lou Riddle**. Thanks also go to **DaMaris Rorie** for the lovely flowers. There are also about 150 other CBCers who are due a big round of applause - all of you who so generously contributed food and drinks for our Big Meal Deal and who helped prepare and clean up. It was indeed a joint effort and one for which we should all feel extremely proud to be CBCers! Through the efforts of new member **Jimmy Blackwell**, **Pulliam Ford** provided the chicken wings and iced tea for the Saturday meal. (Need a new car?) Many thanks, Jimmy and Pulliam! As always, I am very appreciative of the continued support of the CBC Board! Next year the reins will be turned over to a very competent Chairman, **Bobbi Hollingsworth**. Bobbi welcomes your comments and suggestions, I'm sure.

Sincerely,

Gwen Beckman

STANDBY CALENDAR

Standby Chairman Martha Tennant is preparing a roster for standbys on Thursday nights only; Tuesday nights are already covered. She will put your name down to serve as standby **unless** you call her with a reason you can't serve - i.e. not being able to drive at night, etc. Martha's number is 782-2746. You will only serve one time per year and will get to play free that night.

Remember that the role of the standby is to provide a partner for those players whose partners cancel at the last minute or who have arrived from out of town or who are able to play at the last minute. In the past some players have not tried to get a partner, instead relying on the standby. Please do not misuse this standby system.

OTHER NOTES

- **8 GOLDS** will be given away at the 9/17 Instant Matchpoint game if we can get 14 tables in play
- The Board would like to thank **Jackie Jacob** for donating his original oil painting now hanging above the water fountain at the Club.
- **Betty Barber** is looking for partners for both day and night games. Currently she has been playing on Wednesday mornings and would like to play more frequently. Transportation will be provided for her. If you can play, please call her husband Lee at 749-1841 (H) or 734-7133 (W).
- The list of qualifiers for each flight is posted at the Club. Call Pat Webb if you have questions.
- A new membership list will be posted at the Club soon. Please send your membership application and money in ASAP.
