OUR ANNUAL WINTER CELEBRATION is set for Thursday, December 10. Unlike other of our club parties, our dinner will be catered for us. Your CBC Board wanted to directly return to the members the \$500 we were paid for the driveway easement at 2729 Cypress Street. Party Chairman Rosa Shaw says, "Don't bring anything this year but a hearty appetite!" Cocktails will begin at 6:00. Dinner will be served at 6:30 and our game (free entries to all) should begin around 7:30. I'm bursting to tell you about another very special surprise of that evening, but I promised I wouldn't!! I'll just say - you'll be sorry if you miss this party....

CBC BOARD MEMBERS - Please accept this as your notice that our regular bi-monthly board meeting will be Wednesday, December 9 at 6:00 pm at the clubhouse. Please notify Secretary Pat Webb that you will (or will not) be in attendance. If you have any agenda item(s), please contact President Gwen Beckman (790-8118) for placement on the Agenda.

SATURDAY'S INAUGURAL GAME on November 21 - if you missed this game, you missed lots of fun and a very delicious lunch provided, prepared, and served by Ellen and Hampton Oliver. The Olivers wanted to give back something to this club which has meant so much to them over the last few years. How great it is to received such positive "input" instead of the usual complaints. What can YOU do for your club?!? You can start by giving the Olivers a big pat on the back for their generosity.

LIFE MASTER PLAQUES - By the time you read this our club walls should be fairly back to normal, which means the hanging of our life master plaques (among other "things"). The next project is to update these life master plaques. All life masters please take a look to see if your name has been included; if not, call Bob Webb (796-1114) so that this omission may be rectified.

CLUBHOUSE TEMPERATURE - With the varying personal "thermostats" we are dealing with at our games, it is utterly impossible to please all the players all the time. Players are reminded that it is the responsibility of the game's director to keep the temperature of the clubhouse within a reasonable range. (And Edna Lee can tell you where to buy very nice long underwear!)
