

I promised a number of people that I would produce some information about the website. I thought the best way would be to give you a few screen shots from the website that you could use as a reference if you wanted to.

The website's main aims are:-

A place where you can find out lots of things regarding your results (More details on next 2 pages)

A way of introducing new members to our club and ethos

An efficient "one stop" facility for booking in and cancelling.

Informing everyone of the latest status of important events on the front page e.g. Christmas dates, weather alerts

Contact Reg with any queries and suggestions. (This document is stored in the menu "Webmaster Tips")
