

DMBC ANNUAL ELECTION TO BOARD OF DIRECTORS

BIOGRAPHIES OF CANDIDATES - 2018

CAROL FOSTER

I am a Daytona resident since 1960, one of the original members of DB bridge club and a retired realtor. I will do my best to keep our club going in the direction of what's best for all members. I appreciate all the efforts of our current and past boards

JANE GIBBONS

While I have only acquired the rank of Club Master with only 2 years playing, I am interested in applying to volunteer as a Board Member. My past expertise has included sales, finance and board member of my church while living in NC. Presently, I am a Guardian ad Litem for abused and neglected children in Volusia county. I have the ability to get along well with people and listen to others. I love our Bridge Club and feel I can offer a positive attitude and support to help our club grow.

JOAN INGERSOLL

My name is Joan Ingersoll. I have been a member of the club for 3 years. I played bridge in high school and college and basically stopped playing for years. After retirement from the education field I started taking classes at Metropolitan with Jim Geary. Jim encouraged my classmates and I to play on Wednesdays and Fridays. I have had several partners and got the bridge bug. I have enjoyed the experience of being a member and feel we all need to give back. Therefore, I agreed to run for the Board. I have served as the partnership chair for one of the sectionals and play two times a week. I have played in tournaments at our club and I also have participated in tournaments at the Hilton in Daytona. I am thrilled the issues with the roof and air conditioners will have been completed and the building will have been painted and a new carpet will have been installed before the election. Thanks to the previous board for all their hard work.

KATHLEEN KELLER

My name is Kathleen Keller and I've been a member of DMBC since 2009. I was elected to the board in 2017, served as vice president and have been asked to run again. I would be honored to continue working with the board and serving DMBC and its members.

KAREN JEZEWSKI

I retired from Michigan to Florida two years ago following two dear friends, one of whom encouraged me to learn bridge, which I had never played before. Jim Geary's funny, welcoming class helped turn me on to a game that stretches my mind and has brought many new friends into my life!

JASMINA PARKHANI

I came to the US in 1969 and lived in PA for the first nine years. My husband and I with our very young children moved to Ormond Beach in 1978 & have been here since then. I was in business with my husband for almost 30 years owning & managing an equipment rental company in Ormond Beach. I retired in 2005. Then playing bridge became my pastime along with mahjong & traveling.

TOM VAN NEST

Married to Gabriele for 45 years and have 2 children and 3 grandchildren. I retired from Travelers Insurance in 2011, after 38 years holding various marketing & management positions. I have been a Florida resident since 1998 and member of ACBL since 2012.
