DMBC – UPDATE

After several weeks of discussion with city officials, and another well-timed email from Betty Bayard/June Byrne to one of the City Commissioners, the City has agreed to lease the building to us for another 20 years! And at a rate we can afford. The document of understanding was received late yesterday afternoon.

We have already authorized work to begin on the insulation and ceiling tiles. That plus the carpet install should take about 3 more weeks. We are hoping to reopen Monday March 18th!

This will take a lot of effort and volunteers. Watch for notices requesting help, and please do what you can. With everyone's involvement we will get there.

The Sectional Tournament is also scheduled that week, March 21st – 24th. Volunteer lists will be circulated requesting assistance as Greeters, Lunch Ticket Sellers, Kitchen Workers, etc. Carolyn Johnson will be checking with you to see what food items you can bring. Watch for emails and check our website daytonabridgeclub.org for further details. We want to make this one a huge success so please help as much as you can.

Thank you all. Finally, the end is in sight!
