Marty's Convention Card Class Series Monday 18 & 25 11:45 AM

CVBF Board Member Marty Blain conducts these informative classes on Monday the 18th and 25th of March at 11:45 AM. A convention card is required at the Center and all tournaments. Marty expertise will help you to complete your card so that you and your partner convey to opponents your approach to the game.

BBO

BBO has added a new feature. If you want to play in a Duncan Virtual Game and do not have a partner, you can now login go to the Duncan game and request a partner and one will be assigned to you when the game starts if you are not matched before then. Look for Match me with a partner at start.

Please note that the match me feature only works if you click "I will pay only for myself". If you click "Partner must pay for me", it will not match you.

Support these Vendors, Please

The treats you enjoy when playing at DBC are often donations from local businesses.

Their generosity allows the Foundation to provide a wide range of goodies. Please support these businesses as a thank you for their important contribution to the Duncan Bridge Center.
