

## Harrison Hot Springs with Barbara Seagram

111 participants attended the convention at Harrison.  
This was our fourth annual event.

As expected, Barbara stole the show. The award winning teacher and author of 25 books gave us two formal sessions as well as many informal sessions in groups and one-to-one. Three lucky participants got to play a session of bridge with her, one in each of our three sanctioned games. Her energy was contagious.

The location, the pool, the hotel and the food were also highlights.

And the dancing of Liz and Ed L'Heureux, proved that directors can do more than one thing well.

We thank the organizers, Carroll Guichon, Diana Juliusson, Angela Lay and Linda Bowie; and our directors John Demeulemeester, Ed L'Heureux and Bob Dillon.
