18th August 2017

Hi All,

Please find attached the latest list of places allocated for the training workshops on 17th Sept. There have been 2 cancellations from the first list for the laws one has been replaced by another TD from the same club, the other place I have allocated a second place to Brevion. Please let me know if you are unable to attend as there are still one or two names on the waiting list.

There are 9 on the list for EBUScore and there are still some spare places on that so if there is anyone who would like to attend the afternoon only, please let me know.

The training will be held at the First Class Bridge Academy at Barleylands.

The Morning session for the new laws will start at 10am until approx 1pm. The EBUScore session will start at 2pm until approx 4.30pm.

Some of the people on the EBUScore list have already used EBUScore and are looking to know more running multi-session, multi section events, and some are currently using some other scoring program and want to learn about EBUScore with a view to possibly switching to that in future. Can I suggest that those who are not familiar with EBUScore download the software (it can be downloaded free using in My EBU using your club login) and have a look at at least one of the programs (There are separate programs for Pairs, Teams, Swiss pairs, Swiss Teams and Individual events). A bit of familiarity with the menus should make it easier to follow the basics and leave enough time to look at the operation of the programs in more depth. Gary will leave time for questions at the end.
