Dear County Chairman

The charity English Bridge Education & Development (EBED) has been in existence for a little over 18 months, and we are keen to build upon the awareness of the charity throughout our membership. As you know, EBED manages educational programmes and support for teachers, and also provides Tournament Director training for Clubs and Counties.

It is important that information on the charity's activities, both in the broad sense and for Clubs and Members to find specific technical information which may be useful to them (eg information on TD courses and Club Teacher Training Courses), can be easily found. This information, which was previously on the EBU website, has now been transferred to the EBED website www.ebedcio.org.uk.

Therefore, could you please ask your webmaster to include a link to the EBED website (www.ebedcio.org.uk) on your County's homepage. Your webmaster is welcome to contact EBED (info@ebedcio.org.uk) directly for any information or artwork they may require, in order for them to add the link.

Thank you for your time in addressing this matter, and thank you to your webmaster!

Darren Evetts
