

Partner Friendly Bridge Mentoring

In and around Essex with Ian Moss: imbridge7@gmail.com 07546614712

Here is the type of coaching every aspiring Bridge player looks for; a mentor with many years of experience from club to national level whose priority is to ensure his partners enjoy the game while improving their skills. Supporting partner at the table, regardless of results, is the most important quality required to ensure that you develop your skills and confidence.

Before play we will discuss our basic system; in general I will play your favoured methods. During play we will note any hands that need later discussion in depth rather than try to resolve any problems before the next board, which is where our focus should be. After play we will go through hands of interest either at the table or later by email. I am happy to take follow-up questions by email.

I offer: in the Essex and London area, day-time club sessions and one or two session, county or regional level, pairs or teams. Other geographic areas considered.

My Profile:

I have played Bridge for over 40 years from club to national standard and have regularly represented Essex at A team level. I have had many successes in club, county and congress events, most notably winning the London Year End Congress Teams, winning the Metropolitan Cup and Baby Tolly (both representing Essex), finalist in the EBU 4 Stars and the Silver Plate, and (a long time ago!) winning the National Under 26 Teams Championship. Currently I play regularly in a high standard "Super" League in London and at the Acol Club.

In my early playing years I taught Bridge at evening classes; I now concentrate on one-to-one mentoring of players who want to improve above their basic learning or who have some tournament experience and aspire to county representation.

I have served on the ECBA committee and spent 4 years as Chair of Selectors.

My rates:

All include system discussion and post-session analysis.

Introductory club session: £60. Further club sessions: £80.

1 day county or regional pairs or teams: £100 plus costs.

Special Offers to learners and improvers from clubs in Essex.

Introductory club session, daytime or evening: £25 includes system discussion and follow-up on hands of particular interest.

Standard club session: £40 includes system discussion and full post-session analysis.

Three standard club sessions as above: £100.
