

RULES OF MINI-BRIDGE

The Process

1. Count your HCP and declare.
 $A=4, K=3, Q=2, J=1$
2. Side with most HCP will declare.
3. The lesser (HCP) hand laid as dummy.
4. Declarer chooses the denomination.
5. Declarer chooses the trick target.
6. Opening lead is made - play proceeds.
7. Score comes from the chart.

Special Cases

8. If both have 20 HCP, we re-deal.
9. If both of dealing side have equal HCP, dealer or dealer's LHO will declare.
