

## UP FOR THE CUP WITH THE BRIDGE CLUBS OF THANET

### WITH EBU BLUE POINTS

For the sixth time at **12 Noon on Saturday 6<sup>th</sup> August at the Portland Centre, Hopeville Avenue, Broadstairs CT10 2TR** you can experience a unique bridge event. The event is the Bridge Clubs of Thanet **knock-out pairs**. What makes it unique is the scoring system. Each hand will be scored as at a normal club evening by comparing your scores with the others playing the same cards as you. However instead of the East-West pairs moving on after 2 or 3 boards you will play a match of up to 8 boards against the same pair. The pair which scores better than average will win the match. Initially there will be a group stage with a 4 or 5 team league, with 3 points for a win and 1 for a draw, from which the leading teams go through to the knock-out stages. The other pairs will move into the consolation Bowl competition which will be in the normal pairs format with which you are familiar. Pairs eliminated in the knock-out stages will also join the Bowl later.

What happens if there is a draw in the knock-out stages? Well there are no replays in this competition. We will go straight to all the pressure of a sudden death penalty shoot out. The format of which will be revealed on the day but suffice to say it will be unusual and exciting. Come and have fun and get your names on the Thanet Cup or Broadstairs Bowl. There will also be other prizes including best non-expert and the biggest winning margin in any match.

Name .....(1)

Partner .....(2)

EBU No (if known) (1)..... (2).....

Address .....

.....

E-mail .....

Whom you will play in each round of the Cup will be decided by balls drawn from a velvet bag just as you may have seen on TV in the FA Cup. This event is targeted at the ordinary club player. The format is one that means that there can be giant-killings. Could you be this year's David slaying Goliath?

Whilst this will be a properly run event with a non-playing director, licensed by the EBU and with Blue Master Points awarded at the County Scale, we want to give you a gentle and fun introduction to tournament bridge. You do need to be an EBU member but if your conventions are limited to Stayman, Transfers and Blackwood (or less) then you do not even need a convention card.

There is plenty of car parking across the road from the venue, which is wheelchair-accessible. The event will be limited to 16 tables. To enter fill in the form below. The cost is just £8 per player including free tea, coffee and soft drinks. Refreshments are also available to purchase, or bring your own, and there will be a number of intervals between the rounds. You will play 39 or 40 boards in total and we expect to finish around 7pm.

This event is sponsored by ....Nobody yet. Is your business missing out on a wonderful marketing opportunity
