

HARRISBURG BRIDGE CLUB - 2ND FRIDAY OF THE MONTH

BRIDGE PEARLS to "MASTER"

NOVEMBER TOPIC: OPENING LEADS

The experts say opening leads can make the difference between winning and losing a world championship. In this workshop we will consider important aspects of this key to defense. Whether defending a suit contract or a no-trump contract we need to select a suit and a card for the opening lead. After reviewing important clues to make this choice, we will play several hands in which the correct opening lead has significant impact on the success of the contract.
