Dear Oliver,

Thank you for your donation of £1,200 to Open Door, from the Hertfordshire Bridge Association. We are very grateful for your generosity as we continue our activities for the homeless in the St Albans district, and seek to meet the growing needs.

Our night shelter remains fully occupied and we have recently completed our Winter Beds season, providing additional accommodation in portable cabins from December to the beginning of April. We also continue to fund a Street Outreach Worker to make contact with rough sleepers and support them to move into more settled accommodation.

Your donation is so helpful in enabling us to provide these services. Please pass on our thanks to all your members.

With all good wishes,

Lindsey McLeod
