

# Play & Learn with Hutton Bridge Club

**Hutton Bridge Club** run a **Play and Learn** session every Monday afternoon from 13:30 – 16:30 at Hutton Community Centre, why not come along to gain some experience or just enjoy a game?

The session is hosted so you do not need a partner and also supervised so if you need to you may ask questions. It runs in a similar way to normal duplicate club nights but rules are relaxed and you may refer to notes should you wish. Full results and hand records are available afterwards for you to review how you got on.

The session exists to give newcomers a gentle game, it provides an introduction to the club scene, introduces etiquette and provides a step up from lessons before full club play. It is above all a very sociable environment where you may make new friends; all standards of players are welcome.

Hutton Bridge Club subscribes to the **EBU's Best Behaviour at Bridge** policy which helps ensure a harmonious and friendly atmosphere.

Contact a committee member or **Tony French** on **07957 406088** or via [tony.french5@talktalk.net](mailto:tony.french5@talktalk.net).

The Play and Learn Club costs £4 per session for non-members of Hutton Bridge Club or £2.50 for members. If you are attending a course with us then you are automatically a member, membership is non-obligatory but currently costs £15 per annum should you wish to join and play at reduced rates.
