**COMING IN MAY!! For the entire month of May, the Thursday morning lesson,** beginning at 9:30, will concentrate on COUNTING. Join us to learn of the secrets to knowing exactly what is in your partner's and the opponents' hands.

**The friends of Geoffrey R. Cross are presenting to the club the Geoffrey R. Cross Memorial Trophy.** To honor Geoffrey's support of and encouragement to all new and beginning players at the club, this trophy will be awarded to the player who achieves the most master points in the 299'er games in the JSOB spring sectional each year.

**Education Committee's Mission Statement:** To support the educational goals of the Jacksonville School of Bridge, by providing classes and lessons for all levels of play, Beginners, Intermediate and Advanced, using ACBL Certified teachers and materials.

**A man's wedding ring has been found at the club.** To identify, contact Julie Bradley ([julieabq@yahoo.com](mailto:julieabq@yahoo.com)) or Anne Landry ([landryanne@gmail.com](mailto:landryanne@gmail.com)).

**JSOB has a new website!** Replace your old JSOB bookmark with [www.bridgewebs.com/jacksonvilleschool](http://www.bridgewebs.com/jacksonvilleschool). The old website is not being updated so it's time to bite the bullet and make the switch. Take a few minutes to browse the new site and familiarize yourself with its new features. We think you will like it! Note that you can submit the Contact Us form (in the Club Information menu) from the new website to ask questions or update directory information. Or else contact Judy Miller ([j.miller@unf.edu](mailto:j.miller@unf.edu)) or Rich Streeter ([rjstreet1224@gmail.com](mailto:rjstreet1224@gmail.com)).
