11. Discussion of the ad hoc procedure for payment of bills electronically that we've had to use because of delay in getting new Board officers approved by bank, and board members not always present when checks need to be signed. . Is an amendment to the bylaws needed to accommodate this issue?
12. Alex Weiss complaint about no play incident in November. See handout. Alex mentioned that the director was not acting appropriate and reasonable in refusing to correct the score. Alex explained what happened from his point of view. Wilson stated that the score should have been changed. Discussion of these events by many at the meeting, as well as the current score changing policy. No motion was made in regard to this agenda item.
13. . Request for Disciplinary hearing under By-Laws against Alex Weiss stemming from incident with Ellen Finney, Michelle Raeuber, and Game Director Anne Landry on Friday Jan. 20th. Michelle stated that Alex violated Zero Tolerance, and was rude and badgering to the director. John Brady suggested that the Board to take action on this according to the bylaws. Alex and Michelle exchanged words over a score. After the game Alex apologized to Michelle, but was rude to Anne. Michelle said that actions like these can cause us to lose members.
